The Naked Gun introduces us to the son of Frank Drebin (Liam Neeson), the only man who has a particular set of skills to lead Police Squad and save the world.

Freakier Friday takes place years after Tess and Anna endured an identity crisis, Anna now has a daughter of her own and a soon-to-be stepdaughter. As they navigate the myriad challenges that come when two families merge, Tess and Anna discover lightning might indeed strike twice.

In **Materialists**, a successful young matchmaker in New York City sees her thriving business get complicated when she's caught between an ideal client and the ex who once broke her heart.

Eddington is set against the backdrop of the COVID-19 pandemic, starring Joaquin Phoenix and Pedro Pascal in a gripping showdown between the town's mayor and a small-town sheriff — a confrontation that quickly escalates into a volatile and deeply tense standoff.

In **The Roses**, Ivy and Theo seem to have it all—until her rising success and his faltering career spark a battle of ambition and buried resentment. Starring Benedict Cumberbatch and Olivia Colman.
