2025/26

**Next on the
Big Screen**

2025 has been an incredible year so far, yet there's so much to look forward to this year and next...

It has been a **cinematic year to remember**, with a diverse slate of standout releases across genres. Action blockbusters like Mission: Impossible – The Final Reckoning, Thunderbolts, and Captain America: Brave New World have delivered **high-octane thrills and spectacle**. Family audiences have been treated to major titles including A Minecraft Movie, Disney's live-action Lilo & Stitch, and the return of a beloved franchise with How to Train Your Dragon.

British cinema has also made a **strong showing** this year, with acclaimed releases such as The Salt Path and The Ballad of Wallis Island, while horror fans have welcomed the return of a cult classic franchise with 28 Years Later.

Audiences around the world have returned to cinemas in full force, **reigniting the magic** of the big screen and reminding us all that great movies are meant to be **shared—together**, and in the best way possible.

Journey with us as we show you the standout releases to come, this year and next...
